Want to donate to rebuild Notre Dame?
The United States Conference of Catholic Bishops is directing those who wish to donate to help repair the Notre Dame Cathedral in Paris to a website set up by the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. The website is www.SupportNotreDame.org. Fire tore through Notre Dame Cathedral in Paris, causing severe damage to the centuries-old structure. The impact of the fire on the faithful of the city and of the world is immense and the full extent will not be known for some time.
