Sacred Heart of Jesus Parish on the Web!

www.sacredheartlarned.org

Our state of the art website is up and running! After a great deal of work by the staff and councils at Sacred Heart Church, and with the assistance of Solutio (www.solutiosoftware.com), I am proud to announce the launch of our new site: www.sacredheartlarned.org. It is our hope that this great piece of communication will become a highly reliable source of information and news. We plan to have a calendar with current events and happenings, bulletins and ministry lists, news, pictures, council minutes, links to Catholic web-sites and an overall more updated presence on the world wide web. One major goal of this new site is to keep people better informed and to make the information that is important to you easier to access. Please let us know if you feel this site will be or has been beneficial to you and your family. Thank you to all who made this endeavor a reality!

PARISH PICTORIAL DIRECTORY

We need **YOU** to make our upcoming pictorial directory complete! We are producing a pictorial directory for our church. There is no cost to you or the church to have your photographs taken, and you will receive a complimentary 8X10 portrait and directory for participating. **Sign up begins next week-end, February 25 & 26.** Bring your calendar and stop by the tables in the vestibule to sign up. Beginning the week of February 27th you may also sign up on our web-site www.sacredheartlarned.org and follow the Life touch link.
